

Between Two Rivers

Stories From the Red Hills to the Gulf

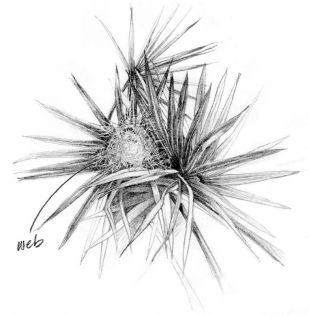

Edited by:

Susan Cerulean, Janisse Ray, and Laura Newton

"The Red Hills gang, a formidable bunch, has carved out a patch of Florida and Georgia and saluted its distinctions so beautifully that in effect they have created a new place."

-Al Burt, long-time Miami Herald columnist

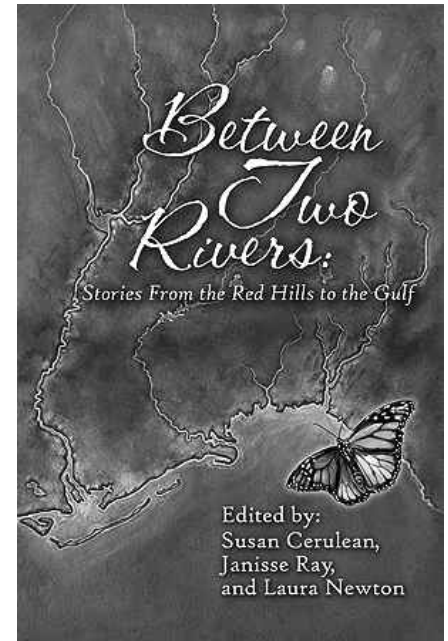

Between Two Rivers is a collection of stories celebrating the unique culture and landscape of north Florida and southwest Georgia, between the Apalachicola and Aucilla Rivers. This anthology is intended to spark important conversations about how we might collectively guide our rapidly-growing region into a future that won't break our hearts.
